Features

iMIX Silver Series Oatmeal System

- Serves three instant oatmeals.
- Large, lighted front graphics for merchandising.
- 4.3-gallon (16.3L) hot water tank to meet peak serving times.
- Key service components easily accessible through front, top and easily removable side panels.
- Front of machine access to tank drain, dump valves, auger motors and control board for easy service.
- Contemporary styling for striking visual statement.
- Spring-loaded, all metal auger drive system for easy hopper installation.
- Front-of-machine set up and calibration.
- Adjustable drip tray.
- Top-hinged design minimizes machine footprint.
- Push and hold dispense.
- Hot water dispense button allows customers to adjust oatmeal thickness to their preference.
