- Water filter monitor.

Elevate your on-demand coffee program with Newco's LCD Touch dispenser. The engaging and intuitive touch screen allows consumers to easily choose and customize their beverage. There is no brewing required saving on labor and little to no waste as each cup is freshly prepared at time of selection. Whether its coffee, espresso or iced coffee; the LCD Touch will consistently deliver the drinks in a matter of seconds vs. minutes. The ability to deliver high quality BIB coffee is great way to satisfy locations that need fresh coffee any time of the day without the labor and time requirements of fresh brewed coffee.

Dimensions: 12.21" W | 20.2" D | 25.6" H
